

Bellevue Alumnae Chapter DELTA SIGMA THETA SORORITY, INC.

January 1, 2024

Dear Applicant,

Delta Sigma Theta Sorority, Incorporated was founded on January 13, 1913, by 22 collegiate women at Howard University to promote academic excellence and aid those in need. The Founders of Delta Sigma Theta envisioned an organization committed to sisterhood, scholarship, service, and social action. Currently, Delta Sigma Theta has clearly expanded into more than courageous women, with over 350,000 initiated women and over 1000 chapters located worldwide.

As a sisterhood comprised primarily of Black, college-educated women, the Sorority seriously considers the issues impacting the Black community and boldly confronts the challenges of African Americans and, hence, all Americans. Over the years, a wide range of programs addressing education, health, international development, and the strengthening of African American families have evolved. The major programs of the Sorority are based upon the Five-Programmatic Thrust: Economic Development, Educational Development, International Awareness, and Involvement, Physical and Mental Health, and Political Awareness and Involvement.

The Bellevue Alumnae Chapter (BAC) is the 800th chapter of Delta Sigma Theta Sorority, Inc. It was chartered on January 28, 1989, seventy-six years after the founding of the first chapter in Washington, DC. We envision a community that embraces and empowers the skills, talents, and abilities of every person of color, enabling them to reach their full potential. We are dedicated to making this vision by developing and engaging in programs aimed at educating and uplifting the Eastside community, with a primary focus on people of color, fostering greater resilience within the community. We serve the Eastside community, which spans from the eastern shores of Lake Washington, reaching as far north as Bothell and as far south as Auburn and Federal Way.

We award scholarships as part of our commitment to ensure that future generations of women who are primarily of African descent continue to pursue higher educational goals. Applicants must reside in King County (excluding Seattle). BAC will award (2) \$1500 scholarships to a candidate who exemplifies outstanding leadership, academic excellence, and community service.

All scholarship application packages should be postmarked no later than Friday, May 31, 2024. Please note that late applications will not be considered for the scholarship. For further information, please contact Trinity Chandler, Scholarship Committee Chair at educationBACDST@outlook.com.
